EXPERIENCE

Core Design Team Member – Converge 2025 (Inter-NIFT Event) 2025

NIFT Kannur

- Led branding, visual identity, and scalable design assets for a large-scale inter-institutional event.
- Developed culturally rooted design system inspired by Kerala's heritage themes.
- Designed a cohesive icon set for sports and stage events ensuring visual consistency.
- Created and executed print assets for event visual communication.

PROJECTS

Layout & 3D Development – Resource Centre, NIFT Kannur Live Project

- Designed spatial layout and developed 3D visualizations to enhance functionality and spatial clarity.

Social Media Design – NIFT Kannur Academic Project

- Produced posts, stories, and carousel content for student-led social media pages.
- Maintained consistent visual language aligned with current design trends.

What's That Style – Fashion Glossary Academic Project

- Editorial project presenting fashion terminology through structured, visually engaging layouts for young adults.

Suthanthira Paravaigal – Craft Cluster Research Documentation Academic Project

- Documented the book Suthanthira Paravaigal as part of a craft cluster study on the Eravathody weaving community.

NIFT 2026 Prospectus – Editorial & Layout Design Academic Project

- Designed a structured, visually compelling prospectus emphasizing branding consistency and information hierarchy.

Suthanthira Paravaigal – Documentary Film

Academic Project

- Conceptualized and produced a video documentary capturing traditional weaving processes and community narratives.
