EXPERIENCE

Junior Graphic Designer

2026 | 2 Months Internship

Capio Interactive, Kerala, India

Contributed to graphic design and branding projects at Capio Interactive, designing social media creatives, packaging artwork, campaign visuals, and brand-focused content. Worked closely with the team to explore ideas, solve design problems, and deliver print-ready and digital assets for real clients across multiple industries.

Core Design Team Member, Converge 2025 (Inter-NIFT Event)

2025

NIFT Kannur

- Led branding, visual identity and scalable design assets for a large-scale inter-institutional event.
- Developed a culturally rooted design system inspired by Kerala's heritage themes.
- Designed a cohesive icon set for sports and stage events, ensuring visual consistency.
- Created and executed print assets for event visual communication.

PROJECTS

- NIFT 2026 Prospectus – Editorial & Layout Design (Academic Project):Designed a structured, visually compelling prospectus emphasizing branding consistency and information hierarchy.
- What's That Style – Fashion Glossary (Academic Project): Editorial project presenting fashion terminology through structured, visually engaging layouts for young adults.
- Onam Campaign, KMT Silks (Capio Interactive): part of the design team creating the festive Onam campaign visuals and supporting social media posts for the client.
- Onam Campaign, Oxygen Digital (Capio Interactive): contributed to the Onam campaign design and created campaign social media posts.
- Packaging Design, Chocochi (Capio Interactive): designed packaging for a Kerala-based chocolate brand using Illustrator and Photoshop, with 3D mockups in Fusion 360.
- Packaging Design, Surabhi Foods (Capio Interactive): designed product packaging artwork and 3D mockups for the food brand.
- Social Media Design, Capio Interactive and client brands: created social media posts for all the above campaigns and for the parent brand, Capio Interactive.
